

GHX ePay

Improve Cash Management, Forecasting and Cost Savings

Automated Payments with Mutual Value

GHX ePay supports sustainable financial health for you and your suppliers with automation that helps to reduce collections and fees.

Built for healthcare, our unified payment platform provides innovative ways to streamline and optimize the AP process across your entire trading partner network.

Increase cash rebates with multiple payment methods

Eliminate labor-intensive paper checks and reconciliation tasks

Enable more early payment discounts

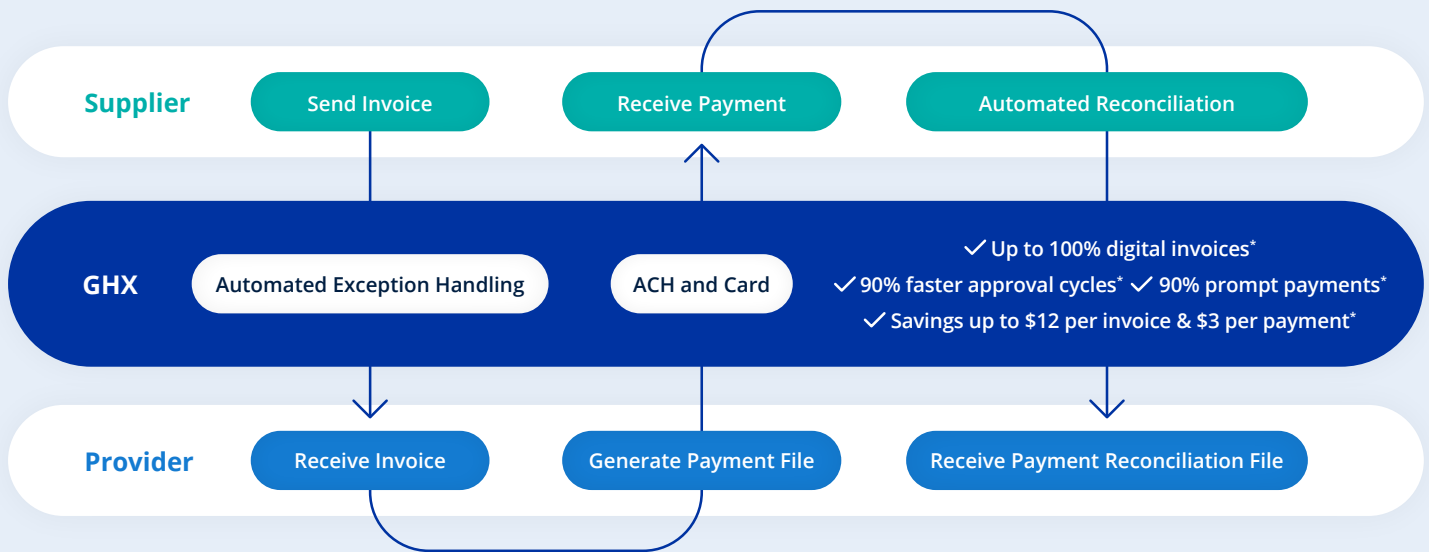

Establish an efficient, more accurate payment process

With GHX ePay, You Can

- Increase revenue by maximizing early-pay rebates
- Pay invoices efficiently and seamlessly from one consolidated file
- Expand automation to your payments and away from manual paper checks
- Pay suppliers with multiple payment methods including ACH, cards and line of credit
- Work with your existing bank partners or leverage GHX's multi-bank network
- Implement quickly with minimal training and IT involvement
- Enhance supplier relationships

Expand Automation to Invoices for Maximum Value
